The image shows the interior of a bar or lounge. On the left, there is a brick wall with a framed picture of a group of people. In the center, a bar counter is visible with various bottles and glasses. To the right, there are high-top stools and a dark leather sofa. The floor is made of wood, and the ceiling has several round pendant lights. The overall atmosphere is warm and rustic.

HAVE A DRINK

If you're a fan of flavorful cocktails and delicious wine then you have come to the right place. We love small batch beer too and have craft lagers, ales, pilsners and stouts from around the world.

Basically if you like to drink it we've probably got it behind the bar. Our talented team can suggest the perfect drink options to compliment your party and menu.

TUCK IN

We have a tasty selection of finger food for you and your guests to enjoy on the night, ideal for a standing party.

If you'd prefer to sit down and tuck in with your nearest and dearest then you can choose from our seasonal British feasting menu. Book to eat upstairs in the restaurant or keep it casual downstairs in the basement.

BRING YOUR FRIENDS

You can come and hang out with us 7 days a week from early morning for meetings, presentations and working lunches. We're then open through to 2am depending on the day.

You can take the basement for groups of up to 80 guests or if you're really popular bring along up to 230 of your favourite people and take over the whole venue.

A FEW EXTRAS

There are projectors both up and downstairs that can be connected to any mac or PC to run stills or moving footage.

We've got DJ points on both floors or you can plug and play an iPod / Android playlist.

There is a license in place for a late night to 2am Thursday - Saturday and we can extend earlier on in the week for you too.

WEDDINGS AT COIN LAUNDRY

Just a stone's throw from several ceremony locations or within easy travel to central London you can join us for your reception any day of the week.

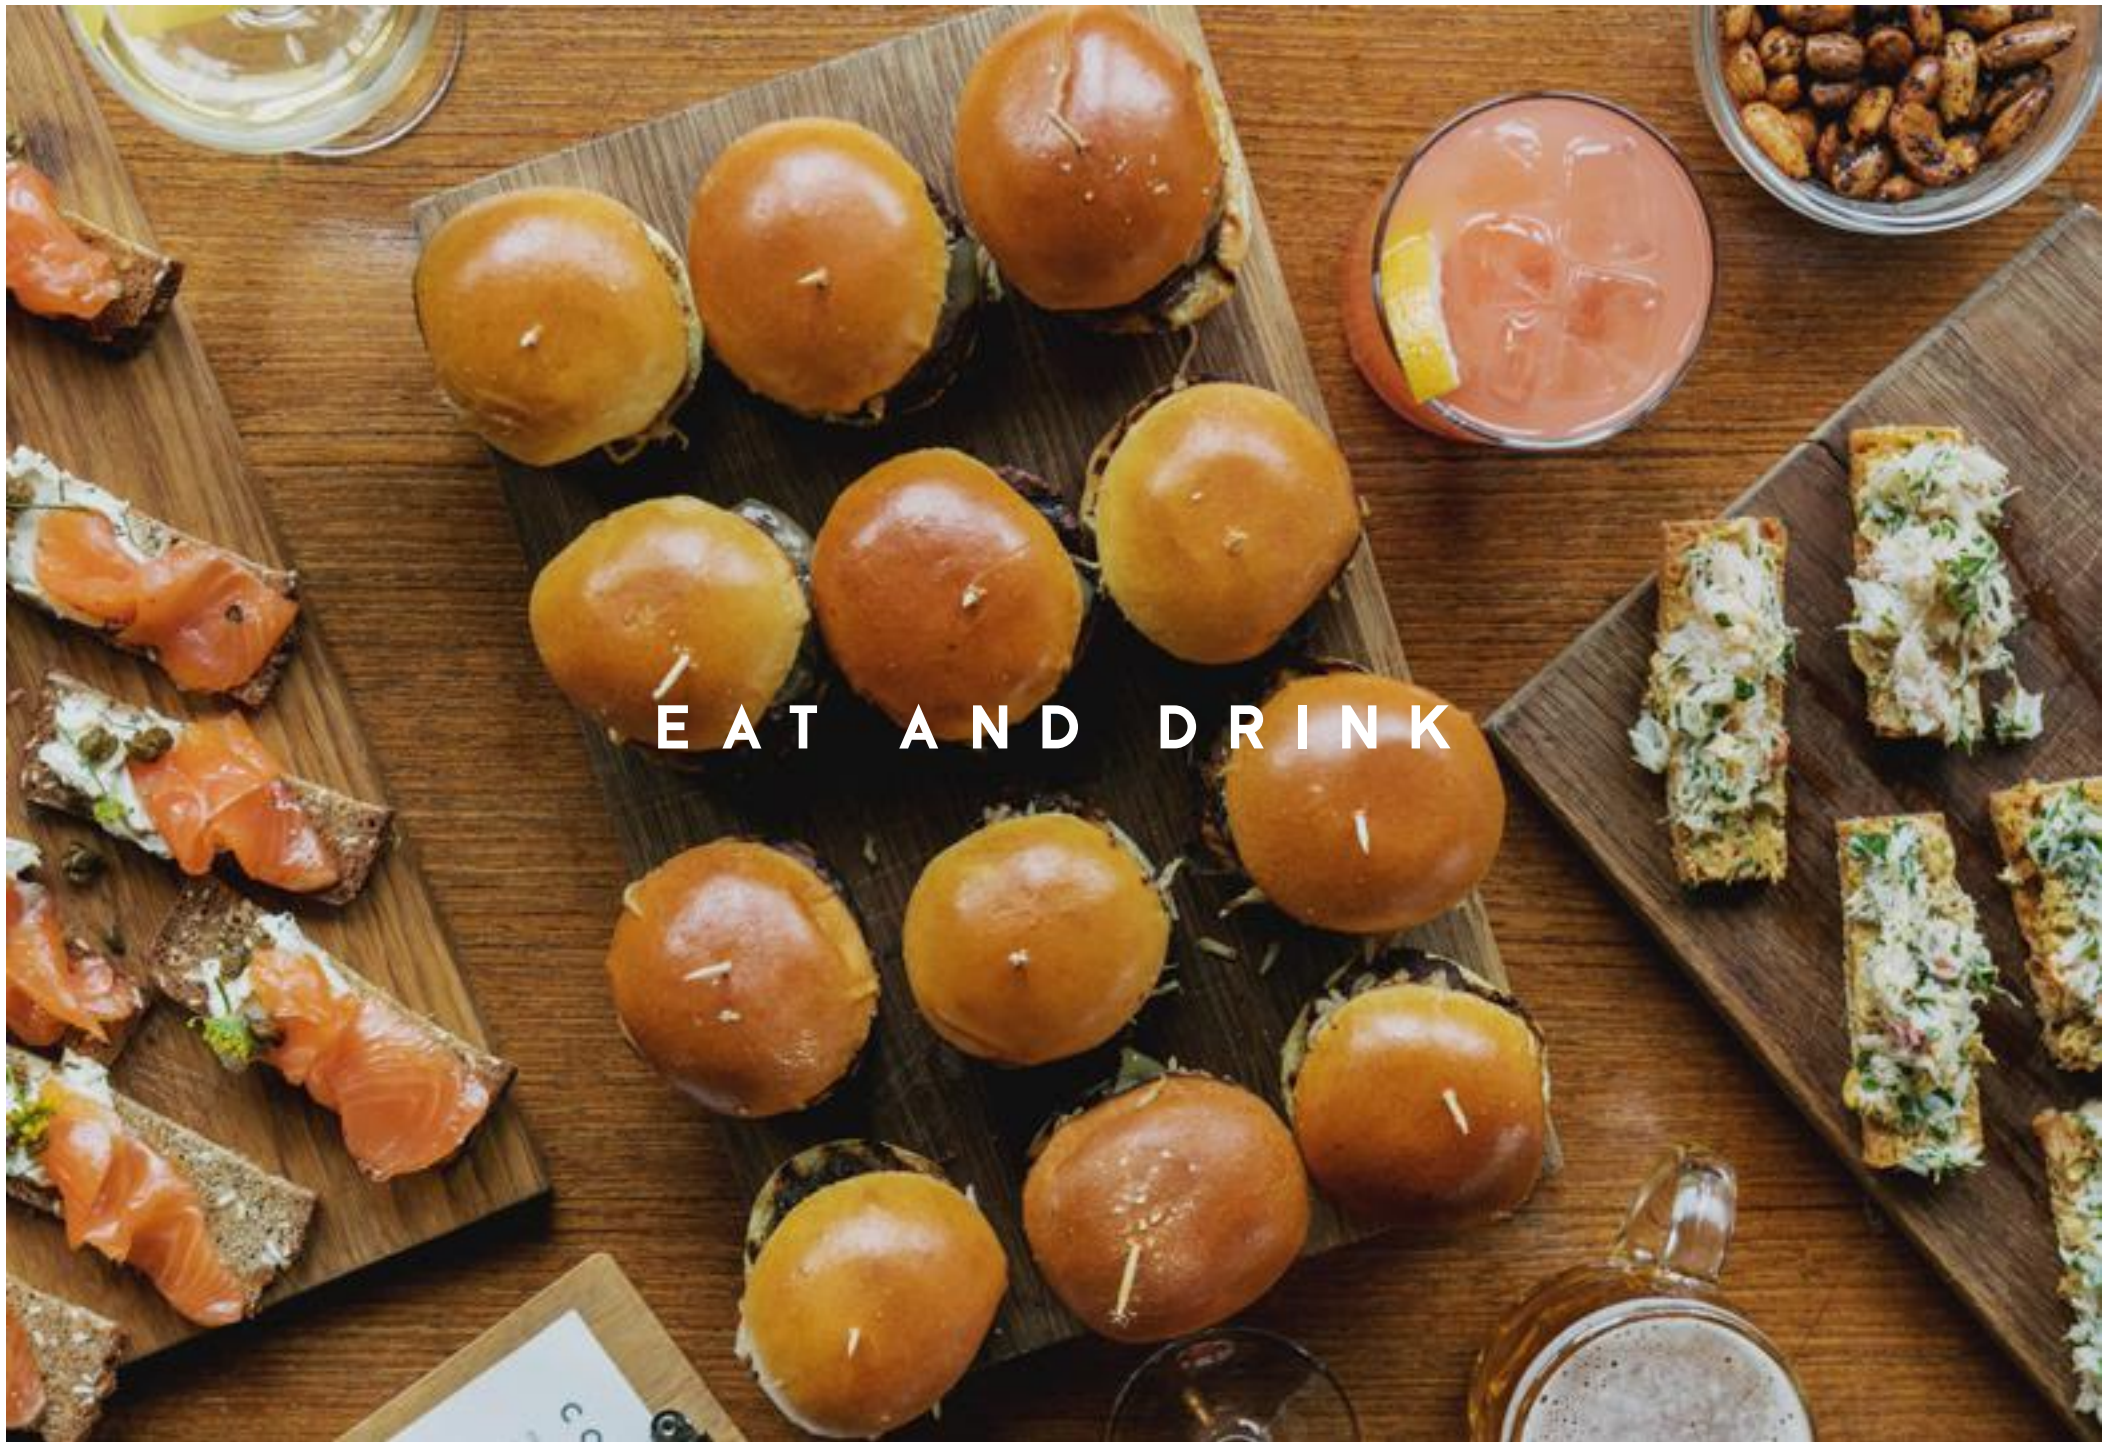

Have a seated two or three course meal or keep it more casual with a family style feast. There are also finger foods options if you prefer a standing celebration instead.

Both bars in Coin Laundry have plenty of character but you're welcome to bring your own personal touches to dress the venue and our expert team will be on hand to get everything set up for you.

Bring a DJ or create a personalised playlist (or both) to keep your guests dancing! We have a late license in place for you to carry on until the early hours.
