HAVE A DRINK

If you want a Christmas full of amazing cocktails, brilliant wines and awesome small batch beers then Coin Laundry is the perfect place for you. Basically if your teams like a drink we've probably got it behind the bar and if not, just ask as we love creating bespoke cocktails for special events.

TUCK IN

Choose which area of the building you want to be in for your Christmas party and the style of food you'd like to have and we'll help you put together the best menu options. Our finger foods are great for standing parties or if you want a seated meal then the family style feasting menu is the perfect Christmas dining option for a fun and easy day or night.

BRING YOUR FRIENDS

You can host your Christmas party at Coin Laundry 7 days a week. We're open for lunch bookings all the way through to 2am for most dates in December. Book either floor independently for groups of up to 80 in the basement or 150 on the ground floor. If you're really popular then take over the whole venue for 230 people.

A FEW EXTRAS

There are projectors both up and downstairs that can be connected to any mac or PC to run stills or moving footage.

We've got DJ points on both floors or you can plug and play an iPod / Android playlist.

We'll be open late throughout most of December to 2am at no extra charge to you.

USE US

Coin Laundry can be hired all day everyday. December is all about Christmas but of course we are happy for you to use our spaces for other events, anything from birthdays to product launches.
